

# CURAÇAO PLANS TO REALIZE A 15 MW<sub>p</sub> PV SOLAR SYSTEM

## REQUEST FOR EXPRESSIONS OF INTEREST DOCUMENT

**The utility company of Curaçao, Aqualectra, will start a tender procedure to realize a 15 MW<sub>p</sub> PV Solar System on the island shortly.**

Aqualectra is responsible for the production and distribution of electricity and water as well as the delivery of accompanying services. At this moment, 26% of Curaçao's total energy demand is already being supplied by renewable energy sources (wind and solar), with a total renewable capacity of 58 MW.

Aqualectra plans to increase its renewable energy portfolio with a 15 MW<sub>p</sub> rooftop mounted PV Solar System.

Companies that are interested in the Tender are invited to submit a request to receive the Expressions of Interest document. Such request should contain the Company's name, contact person, address, phone number and e-mail address.

The request has to be sent to:

**Notarispraktijk Hu-A-Ng B.V.**  
**E-mail: [tender@nphuang.com](mailto:tender@nphuang.com)**

**The deadline for submission of the request to receive the Expressions of Interest document is January 4, 2019 20:00h GMT (16:00h Curaçao time)**

After receiving your request, a copy of the Expressions of Interest document will be e-mailed to you on January 7, 2019 20:00h GMT (16:00h Curaçao time).

Only companies that requested the Expression of Interest document will be entitled to receive the Expression of Interest document and submit an Expression of Interest.
