CUC operates within the Cayman Islands, a tax-free jurisdiction. Employees working on Island are subject to taxes only when importing goods from overseas. There are no income taxes.

Interested persons may apply by sending a completed application form, which can be obtained from the Company's website at www.cuc-cayman.com, along with a résumé to: Manager Human Resources & Employee Development, Caribbean Utilities Company, Ltd., P.O. Box 38, Grand Cayman KY1-1101, Cayman Islands, e-mail: careers@cuc.ky. no later than August 27, 2018.

The Company :

CUC commenced operations in 1966 as the sole provider of electricity in Grand Cayman. The Company operates a modern diesel plant with an installed capacity of 141.95 MW. A record peak load of 102.086 MW was experienced on June 3, 2010. Our 200+ employees are committed to providing a safe and reliable supply of electricity to over 26,000 customers. Keeping pace with Grand Cayman's development has challenged this publicly traded electric utility to become technology-driven and deliver world-class and innovative enhancements in its approach to meeting significant customer growth.

The Territory :

The Cayman Islands, a United Kingdom Overseas Territory with a population of approximately 56,000, are comprised of three islands: Grand Cayman, Cayman Brac and Little Cayman. Located 150 miles south of Cuba, 460 miles south of Miami and 167 miles northwest of Jamaica, the largest island is Grand Cayman with an area of 76 square miles.
